Dear Sir/Madam,

In the prevailing COVID-19 pandemic scenario, the Institute has initiated the process of conducting e-Training Programmes for the benefit of social partners. In this context, we are glad to inform you that the V.V. Giri National Labour Institute would be organising an online **Course on Research Methods in Labour Studies** during **January 18-22, 2021**.

The Course is designed to help young researchers/teachers in universities/colleges and research institutions as well as professionals in government organisations to pursue their interests in the area of labour studies. The course would also help the researchers to learn various methods used in labour studies and will provide them an opportunity to have a dialogue and interface on various research methods undertaken for labour studies. The course involves both qualitative and quantitative aspects of research in labour studies. It would help the young researchers to theorize and engage in practical applications of knowledge in their research endeavours on Labour studies. It would also encourage active reflection on the nature and shape of labour studies.

I request you to nominate 3-4 participants for this important online training course. Please circulate this among the prospective candidates in your Department/Institution. The candidates selected to attend the Course would be intimated about their selection individually.
