Online Training Programme on Industrial Relations and Trade Unionism in a Transforming World of Work

September 06-09, 2021

**V.V. GIRI NATIONAL LABOUR INSTITUTE
POST BOX NO. 68, SECTOR -24, NOIDA
DISTT. GAUTAM BUDH NAGAR
UTTAR PRADESH - 201 301**

CONTEXT

Of the different implications of the current phase of globalisation, those pertaining to industrial relations and trade unionism assume paramount importance. The industrial relations framework is becoming increasingly decentralized. Rapid flow of technology is considerably altering production structures and work organization. Trade unions are facing complex challenges especially in the context of withdrawal of state from economic activities and introduction of flexible labour practices. New and innovative strategies are being considered to evolve harmonious industrial relations at the firm and the industry level.

It is important that industrial relations managers and trade union leaders have a clear understanding on the nature and characteristics of the emerging industrial relations framework in a transforming world of work. Accelerated pace of transformation in the world of work also demand that the social patterns enhance their leadership and motivational skills to influence different constituents to respond to the challenges of change.

It is in this context, that the V.V. Giri National Labour Institute is organizing an Online Training Programme on Industrial Relations and Trade Unionism in a Transforming World of Work.

AIM

The world of work is transforming at an accelerated pace. Mega trends like technological advancements, globalisation, and demographic transitions are providing new opportunities as well as posing fresh challenges in the world of work. Labour regulations are being re-oriented to respond to these transformations. It is in this context that this programme provides an opportunity for the concerned stakeholders to understand and analyse opportunities and challenges relating to labour-management relations in a transforming world of work. It also provides a platform to discuss the implications of the recently enacted Labour Codes on industrial relations and trade unions.

OBJECTIVES

- Analyse the major components of globalisation and technological changes that is altering employment relations
- Examine and respond to the emerging issues and challenges in industrial relations and trade unionism
- Understand the implications of India's Labour Codes on industrial relations and trade unionism
- Learn and share experiences on new practices of labour management practices.
