Subject: Online Training Programme on Technology and New forms of Employment from October 04-07, 2021.

Dear Sir/Madam,

We are glad to inform you that the V. V. Giri National Labour Institute would be organising an Online Training Programme on “**Technology and New Forms of Employment**” from October 04-07, 2021.

The programme has been designed for Government Officials, Representatives of Trade Unions and Employers' Organisations, Researchers and Civil Societies dealing with labour and employment. The main objectives of the programme are to trace the technological changes and its impacts and implications for work and work relations; examine the characteristics and processes of new forms of employment; understand the contours of the future of work and identify policy trajectories to respond to the changing forms of work and work relations.

I request you to nominate 05 participants for this important online training programme. Brochure providing all the details of the training programme, including the modalities for nominations is attached.

With regards,

Yours sincerely,

(Dr. H. Srinivas)

To,

- Government Departments
- Central Trade Unions
- Employers' Organisations
- Research Institutions
- Civil Societies

Online Training Programme on Technology and New Forms of Employment

October 04-07, 2021

**V.V.Giri National Labour Institute
Sector – 24
Noida, Distt. Gautam Budh Nagar
Uttar Pradesh – 201 301**

AIM

Current technological transformations, driven chiefly by digital technology, have far reaching impacts and implications for employment and employment relations. Available evidence indicates that effects of technology and digital expansion on the nature of work and work relations are diverse across the world. Technological changes have given rise to new forms of employment and is also expected to considerably influence the evolving contours of work and work relations in future. It is in this context that this training programme aims to enhance our understanding on the pattern of technological developments and its implications for new forms of employment and future of work.

OBJECTIVES

- Trace the technological changes and its impacts and implications for work and work relations
- Examine the characteristics and processes of new forms of employment
- Understand the implications of new forms of employment for labour regulations
- Identify policy trajectories to respond to the changing forms of work and work relations.

COURSE PROFILE

Technological Changes; New Forms of Employment; Labour Regulations and New Forms of Employment; New Practices in Managing Work and Work Relations.

TRAINING DELIVERY AND METHODOLOGY

- This training will be delivered in an online mode. The training will primarily make use of lectures, case studies and experience sharing. It will also include group discussions and thus be participative in nature.
- Each session will be based on a structured Power Point presentation.
- Participants should have access to internet and computer with audio-visual facilities

PARTICIPATION LEVEL

Government officials concerned with employment issues; Representatives from trade unions; employers' associations; and civil society organisations engaged in the issues related to employment generation; Researchers specialising on employment and related areas.
